# Select exam options

## Select exam options

AZ-400: Designing and Implementing Microsoft DevOps Solutions

Where do you want to take your exam?

 At a test center

 Online at my home or office

I have a Private Access Code

Prepare for your exam

### Your computer

Use a personal computer that has a reliable webcam and internet connection.

Run [system test](#).

### Your testing space

The room should be a distraction-free, private place.

See [acceptable spaces](#).

### Your photo ID

We'll verify your government-issued identification (ID) when you arrive for your exam.

Review [admission & ID policies](#).

### What to expect

Check in for your OnVUE exam 30 minutes before your appointment time.

Watch our [short video](#) to get familiar with the process.

Questions? Check out the [OnVUE FAQs](#) and [support page](#).

**Recommendation from Microsoft: Use a private device**

**Tidy desk, no pens, no paper, only one monitor, closed notebook must be taken down, etc. Maybe a meeting room in the office is better after all :-)**

**Very important:**

The names in your MCID and your ID cards must be identical (ALL first names!!!).

# System Check

The screenshot shows the OnVUE System Test interface. At the top left is the OnVUE logo, and at the top right is a language dropdown menu set to 'English (US)'. Below the header, the title 'System Test' is displayed. A checkbox is present with the text 'I confirm that on my exam day I will be using this same testing space, computer, and internet connection.' Below this is an alert: 'Alert! Work computers generally have more restrictions that may prevent a successful test. Ensure you are not behind a corporate firewall, and shut down any Virtual Private Networks (VPNs) or Virtual Machines.' The main content area is divided into three columns. The first column, '1. Copy Access Code', contains the instruction 'Click 'Copy Access Code'.' and 'This code will authorize you to perform a system test.' It features a text input field with the code '542-315-145' (marked with a red circle 1) and a 'Copy Access Code' button (marked with a red circle 2). The second column, '2. Download OnVUE', contains the instruction 'Click 'Download'.' and a 'Download' button (marked with a red circle 3). The third column, '3. Run OnVUE', contains the instruction 'Run the OnVUE application from your Downloads folder.' and a red circle 4.

onVUE English (US)

## System Test

☐ I confirm that on my exam day I will be using this same testing space, computer, and internet connection.

**Alert!** Work computers generally have more restrictions that may prevent a successful test. Ensure you are not behind a corporate firewall, and shut down any **Virtual Private Networks (VPNs)** or **Virtual Machines**.

### 1. Copy Access Code

Click 'Copy Access Code'.

This code will authorize you to perform a system test.

1

542-315-145

2 Copy Access Code

### 2. Download OnVUE

Click 'Download'.

3

Download

### 3. Run OnVUE

Run the OnVUE application from your Downloads folder.

4

# Online Exam Policies Agreement

Read the online exam policies.  
Click **Next** after you agree to all policies

## Agree to online exam policies

AZ-400: Designing and Implementing Microsoft DevOps Solutions

To take this exam in an online environment, please agree to the following terms and conditions.

☐ By accessing this website and ticking the boxes hereunder you understand and agree to the terms set forth in this Candidate Agreement ("Agreement"). This Agreement is entered into by and between you as a test taker, Pearson VUE, a business of NCS Pearson, Inc., and your testing program owner ("Test Sponsor"). This Agreement represents your understanding and acceptance of Pearson VUE's [Privacy and Cookies Policy](#) ("Privacy Policy"), [Terms and Conditions](#), and use of cookies to support your testing experience. You also understand, acknowledge and agree that the testing program sponsor has its own, possibly different, privacy policy.

### OnVUE Data Processing

☐ By providing your personal information, as described in our [Privacy and Cookies Policy](#), you acknowledge and agree to the video and audio recording of your entire testing session and you agree to the processing of such personal information and test data by Pearson VUE and to the transfer of such data to Pearson VUE's hub server, located in the USA, as the data processor, its authorized third parties, if any, both in the capacity as data processors for the processing of your personal information and test data on behalf of the testing program sponsor, as the data controller, located in the USA or elsewhere. Pearson VUE and other data processing entities, if any, are the recipients of your personal information and test data and are or may be located outside of the United Kingdom, the European Union, and the European Economic Area; however, Pearson VUE will enter into reasonable data transfer agreements with such entities for the purpose of communicating and following the instructions of your testing program sponsor and for establishing reasonable security measures to protect the confidentiality and integrity of your personal information and test data.

☐ If you choose to take the test through our online-proctoring platform, which is not mandatory in the event that there are other ways of taking the test as determined by the testing program sponsor, you and your computer will be monitored during your entire testing session in real time so that your face, voice, desk, and workspace will be captured and possibly recorded for the purposes of test quality, test security, and the integrity of the testing process. You understand, acknowledge and agree that you will be monitored at your location through audio, technology and video means so all activity at your location will be detectable by test proctors. By accessing this website and ticking this box you signify your acknowledgement and agreement that any inappropriate or wrongful conduct, as determined in Pearson VUE's or the test proctor's sole discretion, witnessed while monitoring your testing session will be reported by Pearson VUE to the testing program sponsor and may also be reported to the appropriate governmental authorities, including, but not limited to, any law enforcement officials.

### Third Party Prohibition

☐ By accessing this website and ticking this box you signify that you understand, acknowledge and agree that if any third party is: **1) detected as being present in your physical location, whether visible or not; or 2) overheard in any manner, whether physically detected through movement and making of noise or through sounds irrespective of whether they are in your current location or not during your testing session, the test will be terminated and you will not receive any score.** Further, you understand, acknowledge and agree that if your testing session is terminated for this or any other reason **you will not receive a test fee refund, credit or voucher.**

### Limited License

☐ By clicking this box you acknowledge that Pearson VUE is granting you a limited license to access and make personal use of its Online Proctored Application (OnVUE) only for the duration of your testing session. Further you acknowledge that OnVUE may not be reproduced, duplicated, copied, take a picture of, downloaded (other than page caching), sold, resold, visited, or otherwise exploited for any commercial purpose without the express written consent of Pearson VUE. You also agree to use OnVUE only for lawful purposes and agree not to use OnVUE in any manner that might interfere with the rights of others.

### Facial Comparison Policy

☐ You understand and agree that Pearson VUE may use facial comparison technology for the purpose of verifying your identity during the testing process. It will compare your facial image to the one on your identification and to facial images captured during the testing process and help us further develop, upgrade, and improve this application. If you do not agree to the use of facial comparison technology during your testing session, do not accept this term. You will not be able to complete your registration online. Instead, please call the Pearson VUE call center to complete your registration.

## Review Exam rescheduling/cancellation policy

### Agree to policies

You will not be allowed to have any personal items with you in your testing environment. This includes all bags, books not authorized by the testing program, notes, pagers, and watches. Please note you are required to have a clean and clutter free workstation. During check-in, the Greeter will ask you to scan the room and will inspect any materials near your workstation.

#### Facial Comparison Policy

You understand and agree that Pearson VUE may use facial comparison technology for the purpose of verifying your identity during the testing process. It will compare your facial image to the one on your identification and to facial images captured during the testing process and help us further develop, upgrade, and improve this application. If you do not agree to the use of facial comparison technology during your testing session, do not accept this term. You will not be able to complete your registration online. Instead, please call the Pearson VUE call center to complete your registration.

#### Reschedule Policy

To reschedule your online proctored exam, you must contact Pearson VUE or access your online Pearson VUE account to reschedule your exam up until the scheduled start time of your appointment. Failure to reschedule before your appointment time or failure to appear for your appointment will result in the forfeiture of your exam fee.

#### Cancellation Policy

There is no charge if you cancel an exam appointment at least 6 business days prior to your appointment. There is a fee of 12.5% (based on the current Microsoft exam price as published on Microsoft.com/learning) for cancelling your appointment 5 business days or less before your exam date.

If you fail to show up for your exam appointment (no-show) or don't cancel your appointment at least 24 hours prior to your scheduled appointment, you forfeit your entire exam fee. Business days are Monday-Friday, not including holidays. You may cancel your appointment by calling the Pearson VUE call center, contacting the test center where your appointment is scheduled, or accessing the Microsoft Learning website and choosing the reschedule action. If you registered with accommodations, you must cancel through the call center.
